St. JOHNS EDUCATIONAL SOCIETY

The society was established in the year 2001 with its head office at Hyderabad A.P, India. A group of education is headed by the current chairman Sri. A.V. AMANA REDDY garu and likeminded board of directors established St. Johns group of institutions. The engineering college was established in the year 2001 and St. Johns pharmacy college in the year 2007, this noble endeavor has catered the needs of the underprivileged sections. The society is also known for establishing sister colleges in Kurnool city and Hyderabad. The society continues to evolve in promoting quality centered engineering education.

ABOUT THE COLLEGE

St. Johns College of Engineering & Technology was established in 2001 with the sole objective of catering to the needs of quality technical education in remote rural areas. The college is situated in a pollution free, serene location on the outskirts of Yemmiganur town in Kurnool district. The college campus nestles amidst lush and luxuriant greenery in a sprawling 27 acres land. It houses spacious, well ventilated, equipped and well-furnished buildings which accommodates laboratories, hostels, workshops and classrooms. The college is affiliated to JNTUA and it is recognized by AICTE, New Delhi, and Government of Andhra Pradesh and also accredited by NAAC. The college is connected to Mantralayam, Kurnool city and surrounding neighboring districts of Bellary and Raichur.

COURSES OFFERED

UG Courses- ECE, EEE, CSE, ME, CE

PG Courses- MBA. M.Tech

ECE: Digital systems and computer electronics; VLSI

EEE: Power Electronics and Electric Drives; Power Electronics

CSE: Computer Science and Engineering; Software Engineering

CE: Refrigeration & Air Conditioner

ABOUT IPR CELL

- Intellectual property Rights Cell was established in the year 2006, Intellectual property plays an important role in providing a competitive edge to any Institution.
- Intellectual property Rights: means the rights derived from the IP e.g. Patents, registered designs, copyright etc.
- To impart training on future endeavors regarding patent filing process.
- To conduct workshops, seminars and training course on IPR.
- To promote better understanding of IPR.
- To encourage faculty members and students to go to patentable works.
- Frame and keep updated IPR policy to the various stakeholders and the inventors of the Institution.

OBJECTIVES OF PROGRAMME:-

- To develop knowledge about the Registration Process of IP

Topics Covered:-

- Registration process of IP -application form-preliminary scrutiny and examination-in various types of IP of Patents- Trademarks- Copyrights & Trade secrets

PRINCIPAL
