A Report on "TREE PLANTATION CAMP PROGRAMME"

Tree Plantation Camp launched inside the campus of St. Johns College of Engineering & Technology. Students from I year B.Tech and II year B.Tech participated in the event on **8th September-2018** to celebrate copious rains in Yemmiganur, Yerrakota of Kurnool District.

All the NSS volunteers, Principal, Vice-Principal, NSS Programme Officer and Staff have participated and planted **150** tree species like **banyan, tamarind, eucalyptus, Ashoka, kanuga, babul, rain and avenue trees etc.**, were planted in various localities of the campus. The students showed great enthusiasm in planting trees which they knew would recharge ground water and prevent soil erosion.

Speaking on the occasion the **college Principal Dr. V. Veeranna** spoke about the need for protecting the environment, protecting the forests, and their values which are essential and useful to the life.

And finally all the participants took oath to protect the environment by planting more and more trees.

Thus the NSS Unit of our college has conducted Tree Plantation Programme successfully.
